

Join the Growing Number of Healthcare Providers Fighting HIV and other STDs through Effective Prevention!

Ask, Screen, Intervene: Incorporating HIV Prevention into the Medical Care of Persons Living with HIV

When: Friday September 24, 2010, 8:30 am – 4:00 pm

**Where: Four Points by Sheraton Biloxi
940 Beach Boulevard, Biloxi, MS 39532**

This program is a collaboration between the Delta AETC and the Ratelle STD/HIV Prevention Training Center of New England.

CONTINUING EDUCATION:

The Ask, Screen, Intervene training is approved for 6.0 hours of CME/CNE/CEU.

COST:

This training is offered free of charge. Continental breakfast and lunch will be provided.

CURRICULUM:

MODULE 1: Introduction to periodic STD screening, treatment and proven prevention strategies

MODULE 2: Delivering feasible and effective prevention messages in a busy clinical setting

MODULE 3: Tailoring brief individual interventions and maximizing referrals

MODULE 4: Utilizing free and effective Partner Services programs

TARGET AUDIENCE:

Physicians, Advanced Practice Nurses, Physician Assistants, Nurses, and others involved in HIV clinical care or who see HIV-positive patients in their practice

OBJECTIVES:

After attending this training, participants will be able to:

- Outline a correct approach for screening for STDs in HIV positive individuals
- Address patient misconceptions about HIV transmission
- Provide brief behavioral interventions and referrals for more intensive interventions
- Initiate discussion of the four partner referral options with patients

REGISTRATION:

To register online, please use this link to our Survey Monkey registration form:

<http://www.surveymonkey.com/s/LS6BFX8>
