

Should we be screening for HIV?

*Every 9.5 minutes
someone becomes
infected with HIV, are
you interested in
helping?*

• Training is Open To:

*Physicians,
Physician Assistants,
Nurses,
Nurse Practitioners,
Dentists,
Social Workers/Case
Managers,
Pharmacists*

*The Mississippi AIDS Education and
Training Center would like to invite you
to learn about HIV screening. Education
on why testing is important, cost
effective and easy to do.*

**Presentation will be held Friday, January 20, 2012 at 10am.
Please contact Debra Hughes for more information.**
