Thursday, October 22, 2009

Thursday, November 19, 2009

A Medical Case Management Clinical Conference (MCMCC) held on the **4th Thursday of each month** at the New Orleans Regional Planning Council Offices at 2601 Tulane, Suite 400 (4th Floor).

Nurses, social workers, health educators and others who practice medical case management are invited to attend. Registration begins at 12:00 and the case discussion begins at 12:15.

A local agency presents a case with a 20-30 minute discussion regarding a psychosocial issue with that patient. Dr. Ronald Wilcox or other Delta personnel then spends the second half hour discussing a medical aspect about this patient to increase the medical knowledge of the attendees.
