REGIONAL HIV CLINICIAN UPDATE CONFERENCE 2010

This is your save-the-date notice for the 2010 HIV Clinician Update Conference to be held at the Astor Crown Plaza Hotel at 738 Canal Street

Friday • April 9 • New Orleans

To request an invitation, please email tnewto@lsuhsc.edu

Join other HIV care providers at this not-to-be-missed annual update conference. Presenters have been selected because they are specialists with active HIV case loads.

OBJECTIVES

- To instruct participants on recent changes in treatment approaches and guidelines regarding HIV disease
- To provide an advanced clinical knowledge base in HIV management
- To expand capacity to treat difficult HIV clinical cases through active participation in model case studies
- To provide a venue for networking between AIDS clinical care professionals in Louisiana
